This year, for the first time in the history of Pittsford High School, we won the All-Sports Trophy. This was accomplished by winning the Football Championship, the Track Championship, and a share of the Baseball Championship. This is a traveling trophy and we hope that it will make its permanent residence here at P. H. S.

This is the first year Pittsford has had a cross-country team and had a winning season to get themselves off on the right foot. They've had pretty stiff competition from larger schools such as Adrian Madison, Jackson Northwest, Napoleon, and Homer.

Senior Dick Arnold was the team's leading runner, finishing first in most of his races.

We hope this sport will continue and flourish into one of the major distinctions in the area.

All-Conference Wildcats

Doug Toner, Hal Evans, Frank Bidlack, Bob Clement, Arvid Perrin, James Monroe, and John Ayres. Chosen by the League Coaches for the all-conference football team, these boys have surely proven themselves to be skilled and talented athletes.

The J. V. football team, which was started in 1962, had a 2 won - 2 lost - 2 tied season this year. Referred to as "The Monsters of the Midway," this unusually large team had an average weight greater than the Varsity team. These superb examples of brawn and physical endurance will contribute their talents and skills to next year's championship Wildcat team.

The Varsity Wildcat football team this year shared the Mid-Southern Championship with the North Adams and Tekonsha squads. Completing his first season at Pittsford High, Coach Lyle Spahr has done a very fine job with his boys. The team had 6-2 season losing one league and one non-league game. Losing twelve senior men will only increase the determination of next year's team to win another championship.

Champs Again!

Behind this door is the den of the toughest team around --- the Pittsford Wildcats. At about 6:00 P. M. the boys begin to file through it, ready for a big game. Following is a story of how the Pittsford Wildcats clawed their way through another victorious season.

At the start of the game, the going was pretty rough, even though everyone on the field was trying. But with determination

..... and the support of the boys on the bench they kept on fighting. Of 127 boys in the school, over 50 turned out to drive the Wildcats to their fourth consecutive championship.

The coach, watching the quarterback, Doug Toner, setting the plays decided...

... that it was time for one of the players

to be

given

a pep

talk...

As a result of the coaches inspiration, the play was carried out with Wildcat precision, and another victory was chalked up on the score board.

District Championship

This year the Varsity Basketball team at Pittsford has had the best record they have had for years. The boys worked hard all season for this, but without Mr. Crume it would not have been possible.

The team had a share of the M-S League Championship with North Adams until they were beaten by Camden-Frontier in the last game.

This year the team won the first District Tournament game since 1954! The first game was taken from Jonesville, 64-49.

They then defeated Colon 53 to 50 to win the District Class C basketball tournament. From the District finals the Wildcat cagers went on to the regional tourneys in Battle Creek. The team lost the first game to Bridgman 70 to 44 and Bridgman won the regional tournaments in Class C competition.

The Annual Staff, consisting of 14 members and the advisor, Miss Middleton, is in its 7th consecutive year of publication.

This year the Annual Staff attended the Yearbook Clinic in Bryon, Ohio on the 3rd of October, 1964. As a result of the many interesting things learned there, we feel the 1965 "Wildcat" is one of the best that have been published.

Our meetings were usually held on Monday nights. During the meetings we did our best to combine copy, theme and layouts into a book which will enable you to remember the year 1964-1965 at Pittsford School.

The purpose of the Varsity Club is to assist in the enrichment of the Physical Education and Athletic Program. The Varsity Club is composed of a select group of athletes from girls' and boys' athletic departments.

In order to be in Varsity Club a girl must have a letter in basketball or be a senior cheerleader. The boys must take part in or receive letters in two varsity sports in the same year. The boy or girl must show a desire to be a member and must also be accepted by the members before they may become a member themselves.

The Varsity Club members organized the annual All-Sports Banquet, assist in Physical Education classes, have purchased a machine for hydro-therapy treatment and are called upon for other duties.

Library Club

Thanks to the Library Club, we have excellent service in getting and returning books. The library has some new additions and is getting bigger and better each year.

Members must complete 9-10 hours of class work before allowed to shoot. This class work consist of the 10 rules of handling a rifle and the proper way to clean and shoot it. We are taught to shoot in four positions, they are prone, standing, sitting and kneeling, which are shot in that order. Each position has a possible 100 points for a total of 400 which very few can shoot.

For Valentine's Day the club made valentine cards in Latin.

F.T.A.

The Future Teachers of America is now in its 7th year of activities. These members are about evenly divided between the elementary grades and physical education or gym class. The number of the members is the highest the club has ever had. During this year the club has given apples to the teachers during American Educational Week. It hasn't been decided yet where the club will go this year, but it will be an interesting and enjoyable trip.

Our FHA is a very large, active group of 70 members. The moneymaking projects include selling cookbooks, having candy sales and bake sales, and sponsoring a pizza hop. At Christmas time, we brought in food, clothing, toys, and school supplies, and donated them to a needy family. We sent seven members to the State FHA convention held in Grand Rapids. It was a two day's exciting experience. At the end of the year, we are planning a two day's trip full of fun and educational experiences.

In the District Leadership Contests held this year at North Adams, the Farm Forum Team won first place and advanced to the Regional Contest at Manchester, where the team was runner-up, with a gold award.

Pep Club

This is the first year our school has had a pep club. We got together in a group at the games and gave support to the players. We tried having noon hour pep meetings, which turned out well because only those really willing to participate in the meetings are the ones who came to yell. We have a small pep band consisting of George Dunbar, Pam Deal, Eddie Fether, Eldon Rininger, Dean Sharp and Nardine Gay.
